

In the Event of Inclement Weather:

In case of snow we will always do our best to make sure the school is open, if we do need to close we will try to inform you by text message, via our website and the local radio, the council website and 'Wolverhampton Today' Facebook page.

In severe weather Wolverhampton Council may make a decision to close all schools, if this happens it will be posted on the council website www.wolverhampton.gov.uk.
