Spring Term Newsletter

MARCH 2023

Welcome to the end of the Spring Term

We hope you have managed to spend some time looking at our Spring Term Curriculum & are now informed about what your child has been learning this term—if you have any questions please do not hesitate to ask Surrinder or Heidi

Thank you to those parents who attended our Parental Reading Workshops, we hope you found them useful and informative—please look out for further workshops in the Summer Term

As we draw closer to the second half of the Spring Term, please see below some dates for your diary.

Part of our STEM learning this term has been exploring the process of changing states. The children have been learning, when we heat butter, ice and bread it changes consistency. They also noticed how liquids change when they are frozen.

The children in TF2's have been discovering how ingredients change when they are combined and heated to make playdough (if you want the recipe ask Dal)

It has been a very busy but fun term with the children celebrating World Book Day, Chinese New Year & taking part in the Great Garden Bird Watch.

For more information on the learning taking place at Bushbury Nursery School please check out our Facebook page on:

Dates for your Diary:

Nursery closes for all children on Wednesday 29th March 2023

All children return to nursery on Monday 17th April 2023

KEEP YOURSELF AND CHILD SAFE:

Please hold your child's hand when entering nursery and encourage them to come straight into school and avoid the play equipment to ensure their safety.

Please check the age rating on the computer games your child plays as some games such as 'Fortnite' and 'Roblox' are not suitable for children below the age of 13.
